Guide

Trying an experiment, the third year Home Economics class held a day school each afternoon for one week to acquaint themselves with pre-school children.

ACADEMIC HIGHLIGHTS

In the print shop, boys learn the art of setting type and benefit the school in many ways with this skill.

The guidance counselors play an important role in the students' lives by administering and interpreting tests, and by helping with subject selections and college applications.

Many students make use of the material concerning colleges, scholarships, and vocations which is placed on a special bulletin board.

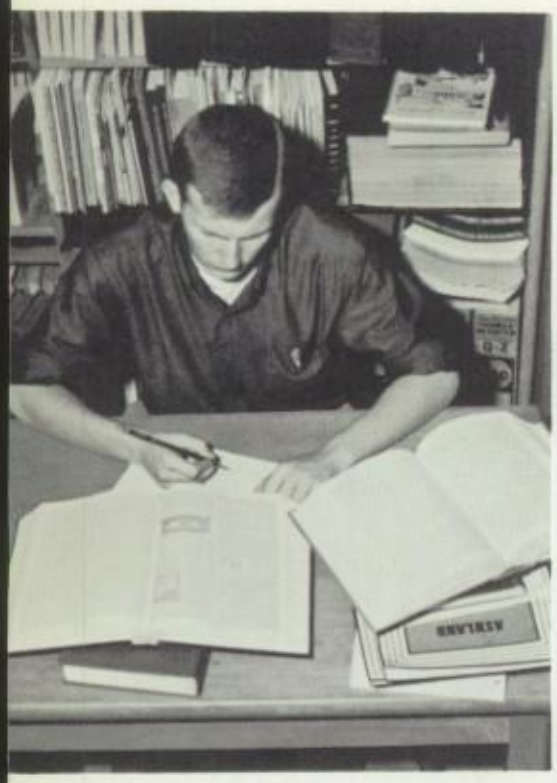
Making mosaics was one of the larger projects the art classes undertook.

Moments of solitude are an unusual but important aspect of student life.

Speech classes spent several weeks preparing and presenting debates.

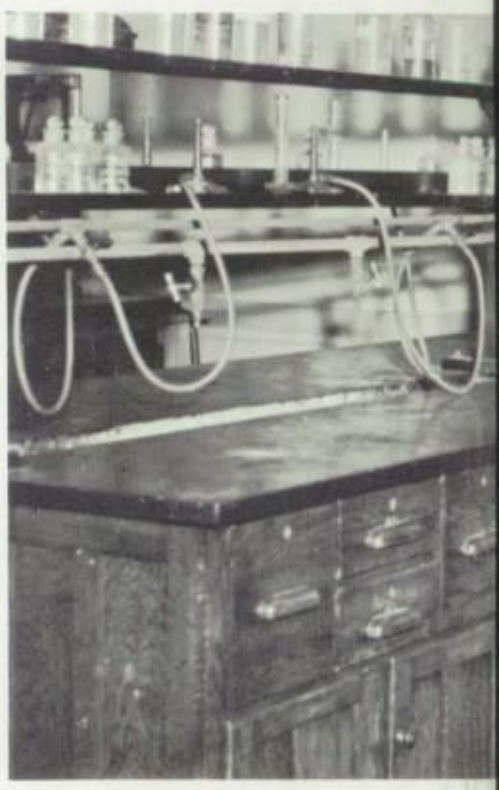
The past year
of academic advancements
are represented on
the pages of this annual.
This section
has been set aside
for a pictorial record
of individual
and group participation
in the school's curriculum.
Participation of the student
during the school year
toward an increase in knowledge
helps develop character, and
respect, and prepares him
for the future.

Study halls, though often crowded and uncomfortable, offer students an opportunity to get homework completed.



Studying alone constitutes a major part of student life and a part which proves most worthwhile.

The significance of the new Language Lab to teach a foreign language is a part of our technical advancement.



Scholarship teams are not only important for self-improvement but in recognition of the academically talented.

Students obtain much information in the various fields of science from daily classroom lecture. Then they apply this in lab work which offers an opportunity for guided experimentation.

Educational assemblies provide a diversion from regular routine along with aiding in the education of the student body. One program this year included a traveling science teacher who visited the classrooms to add to the importance of the assembly.

Extra-Curricular

EXTRA-CURRICULAR HIGHLIGHTS

During a pep rally, Santa and his helpers gave school spirit to Ashland High "youngsters."

Some of the talented Arrows presented a half-time show during the girls' all-star game.

Among the outstanding assemblies presented this year, Jungle Larry's program was again one of the most enjoyed.

The much anticipated Hi-Y Formal offered a night of relaxation and enjoyment for all who attended.

Varied talents are displayed in the annual Spring Follies.

One must not
overlook the importance
of the extra-curricular
activities in which
the student participates.
"School spirit,"
the foundation
of athletic victories,
active student
organizations, and services,
is the reason for
emphasis of this section.

One of the many duties of the Bows to promote school spirit is selling "victory" ribbons to the student body.

The seniors carry forth tradition by singing "Up on the House-top" in the Christmas Sing.

ENCHANTED ISLE

1960
Jr.-Sr. Prom

Many days of busy preparation by the members of the junior class turned out an "Enchanted Isle." Hundreds of real flowers and plants, a water falls, and several scenic murals carried the quiet mood. The evening of dancing music was enjoyed by a capacity crowd of delighted juniors and seniors.

1961 HOMECOMING QUEEN

Homecoming was
exciting for everyone:
the football team,
the candidates for
queen, and
most of all, the
girl who was
crowned,
Mara Daugulis.
Her happiness was
reflected by
her dancing eyes and
beaming smile.

This season under the lights at Redwood Stadium, Ashland football fans watched some fine gridiron action by the Arrow squad. Although the team experienced more than their share of losses, this did not hinder their enthusiasm.

The two-platoon system with an offensive unit and a defensive unit, was used this year. Gained by this system was the skill which developed with specialized training.

We are proud of the 1960 squad and coaches, and we know that this year's experience will build a winning team next season.

CROSS-COUNTRY

Congratulations, Paul!

Considering the fact that the cross country squad was young and inexperienced, the coach felt the season was quite successful with five wins and five losses.

Paul Wertz, a most outstanding runner, this season broke the standing two mile Ashland High School record, lowering the time from 9 minutes 56.2 seconds to 9 minutes 52.3 seconds. Wertz proudly placed 4th in the District contest and 16th in the State event.

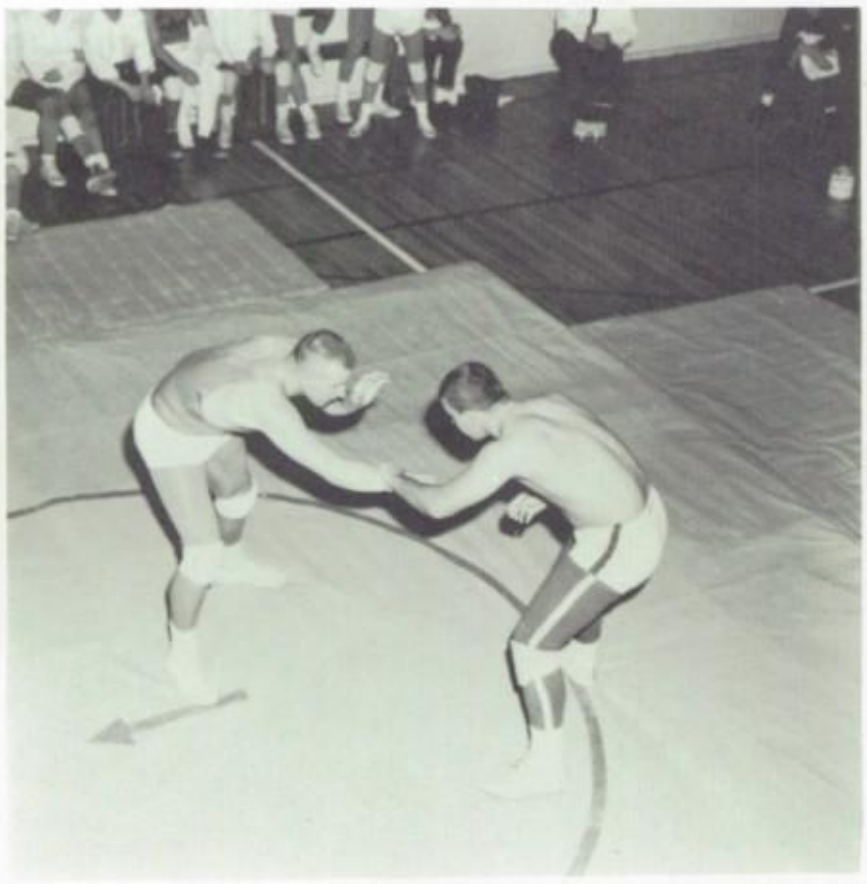
WRESTLING



Joe Glasser keeps a watchful eye on his opponent.

In its third year of inter-school competition the Ashland High School wrestling squad experienced a rather slack season. The lack of adequate senior participation and the inexperience of the underclassmen were definite handicaps. In addition to these problems, several wrestlers acquired injuries which prevented their continuing mat action. The 31—8 victory over Mansfield Senior High was the coach's most satisfying match while two point losses to Upper Arlington and Madison were quite disappointing.

Row 1: J. Hipp, B. Smalley, L. Casey, J. Rhoads, T. Park, B. Sweet, J. Duncan, D. Stark, S. Zimmer, Manager. *Row 2:* Coach Valentine, L. Barber, Manager, J. Briggs, J. Bear, J. Springer, R. Post, R. Laughlin, Coach Plank.

VARSITY BASKETBALL

Coach Plank, Coach Srnis, Coach Valentine, Coach Benton.

The Ashland Arrow basketball squad finished the 1960-61 season with an over all record of eight victories and ten defeats. Two wins and four losses were recorded in the first year of Cardinal Conference competition.

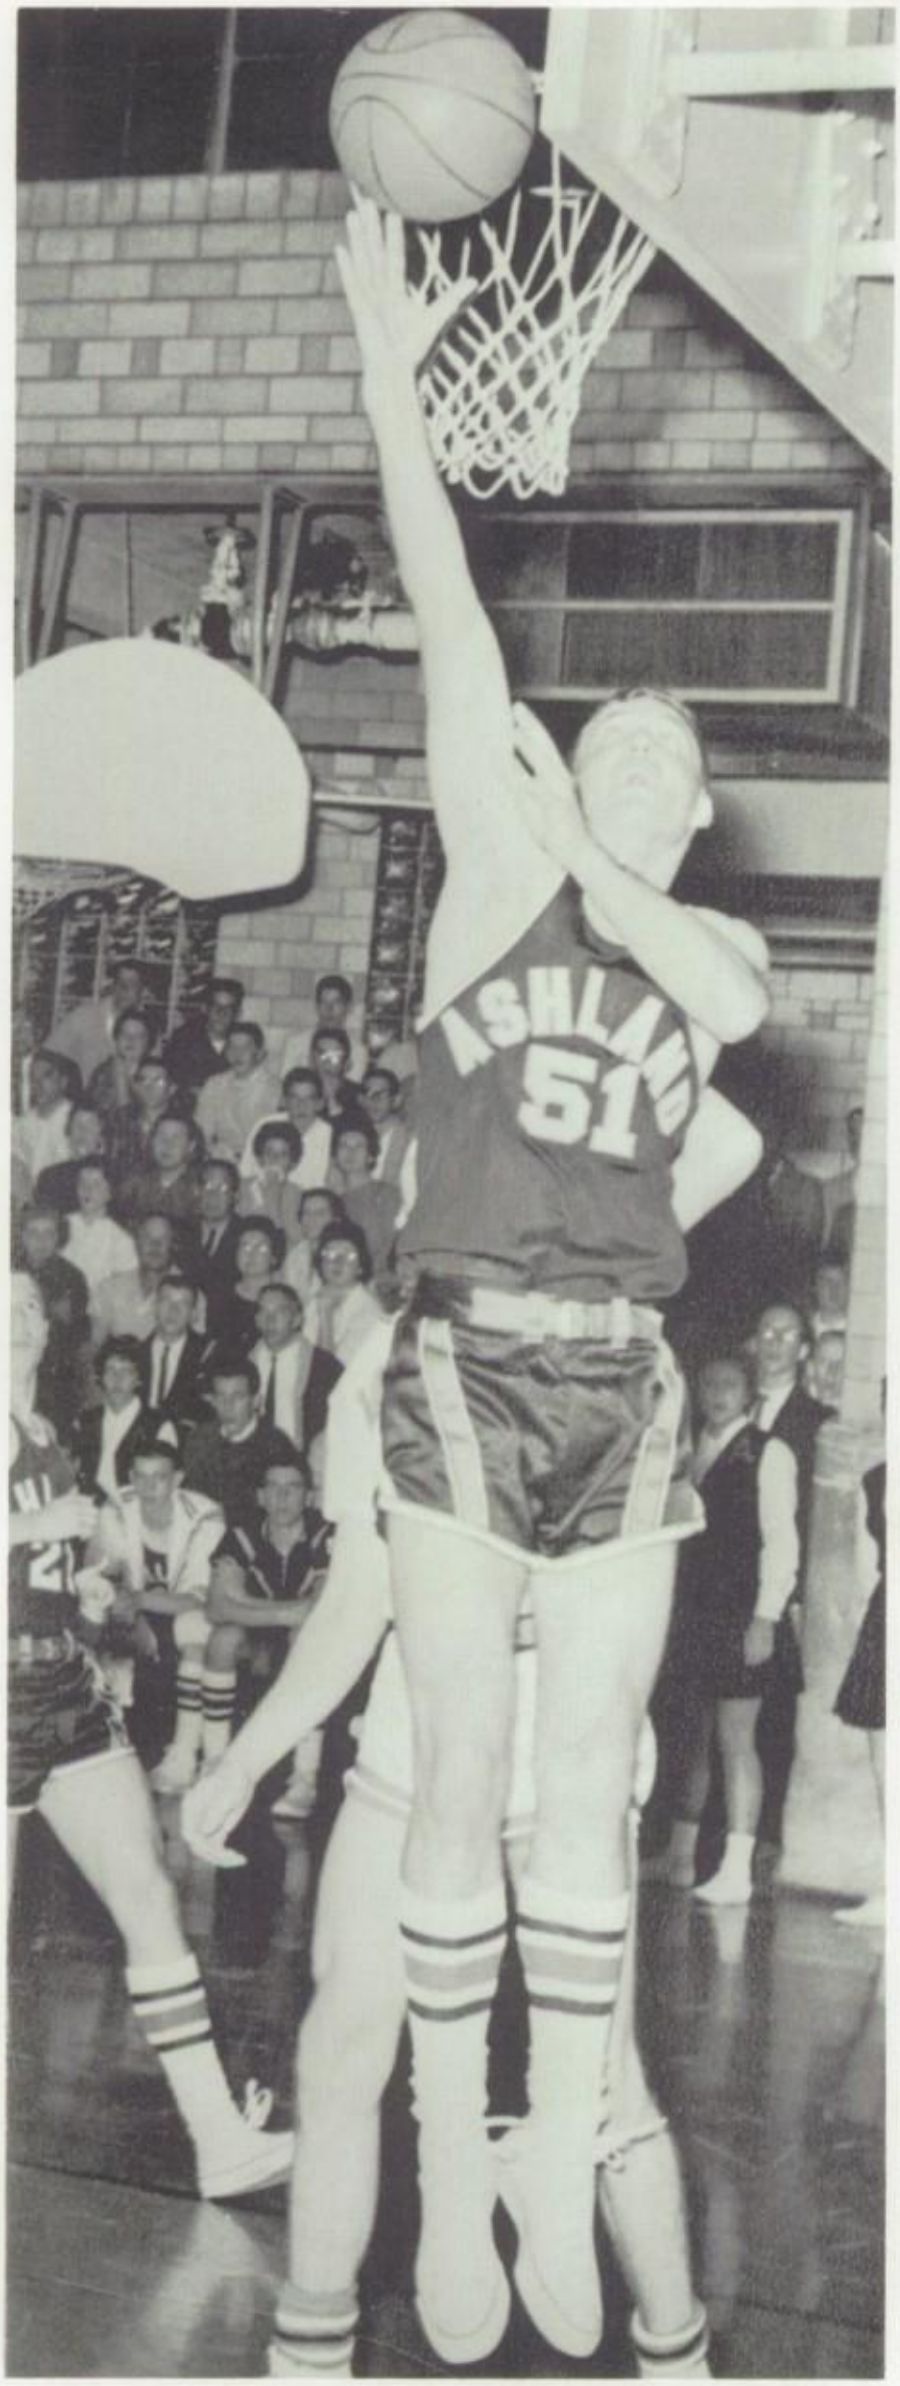
The most exciting if not the most outstanding game of the year was played against Lorain when the teams fought to break a tie in a three minute overtime. That night the skill of the Arrow team, together with the spirited support of the onlooking basketball fans at McDowell Auditorium, won Ashland a well earned victory.

Leading this year's squad as high point man was senior captain Bob Sweet, with John Rhoads bucketing second place honors.

Post tallies two!

Casey goes high for a tip.

Sweet pulls in record breaking rebound.



Rhoads goes high for a basket!

TENNIS

Mr. Espenschied shows the boys his racket.

Under the careful instruction of Mr. Espenschied, these boys will learn the fundamentals of tennis. The boys will then participate, individually, in district competition to uphold the school's record.

On sunny days, they practice outside, but when the rain comes they pour inside to hit sixty-six tennis balls about. Undoubtedly, they are more interested in how many "loves" that they can make than the rain.

The Student Council is a group of elected representatives who serve as a governing body and a Service Club on behalf of the Student body at Ashland High School.

In addition to sponsoring the annual Rhythm Rendezvous, Sadie Hawkins, and Christmas Dance the club produces the Spring Follies, a talent show based on an annually selected theme. Other duties of the Council are to carry out various school improvement projects among which, this year, was initiated a system of "honor" study halls. To stimulate club interest and activity, the Council presents the "Club of the Year Award." This trophy is merited by the club most outstanding in serving the school and the community. Again this year, the Council supported a war orphan as a civic welfare project.

"The purpose of Varsity "A" Club is to teach varsity players that athletics are important, and that there are other just as important things," explains the club's president. Membership is based on maintenance of certain scholastic goals and participation in varsity athletics.

Varsity "A" actively supports constructive civic and school projects. This year fruit cakes were sold and from the returns a donation was made to Dale-Roy School for Retarded Children. The annual school bundle drive and awarding of the Athletic Award for the year are other responsibilities of this organization.

ASHLAND HIGH SCHOOL MARCHING BAND

Director - James E. Thomas

Karen Shelley
Drum Major

Under the capable leadership of drum major Karen Shelley, the Ashland High School marching band experienced a most successful season. Part of this success was due to the twirling ability shown in Karen's weekly routines.

With sparkling white top hats in place and swinging canes in hand, the Sweet Sixteen delighted audiences with novel routines during half-time shows at the football and basketball games. "The Highland Fling" was a particularly outstanding example of the choreographer's originality and fine instruction.

The 1960 marching band was composed of 72 regular members and 11 alternates. Highlighting this season's half-time entertainment were performances of precision marching and figure formation.

Besides participating in a parade at Oberlin, Ohio last summer, the band and Sweet Sixteen were selected to represent Ohio in the annual Lion's Club International Parade held in Chicago last July. They proudly returned home with fifth place honors in high school band competition. The Halloween Parade, Old Fashioned Bargain Days, Krazy Daze, the Christmas Parade, and the Memorial Day Parade were also on the agenda for this year's band.

CONCERT BAND

DIRECTOR

Mr. James E. Thomas

The eighty-five participants in the High School Concert Band experienced an outstanding year during 1960-61. Besides presenting the annual Twilight Concerts, the group competed in a regional band contest held in Newark. The band was privileged to have as guest conductor Jack Evans, director of the famous Ohio-State Marching Band. A day-long clinic was held in which Mr. Evans offered finishing suggestions for a concert presentation.

Students who have satisfactorily completed preparatory training in Junior Choir are eligible to become members of the high school A Cappella Choir. Throughout the year, this group presents various concerts and programs of interest not only to the school but to the community as well.

In cooperation with the Thespians, orchestra, and art department, the choir staged the annual musical. Caroling the yuletide, proclaiming the Easter season, and welcoming the springtime completed the choir's concert performances.

STARDUST

A three act comedy, "Stardust," was offered by the Senior Class on November 18, 1960. The story dealt with an incident at a dramatics academy in which the students and director anticipated the arrival of a famous actress to guest star in a performance. Although their image of the actress pictured her "tired, tormented, and having suffered for her art," they learned differently after her arrival. Directing the play was Mrs. Helen Teatsorth.

Dream sequence.

"O-K-L-A-H-O-M-A, Oklahoma!" This chorus rang throughout McDowell Auditorium as capacity audiences applauded their delight in the musical comedy. This Rogers and Hammerstein production relives the westward movement days of our ancestors in the territory now known as the state of Oklahoma.

With a determined spirit and a song to back it, Ashland High School students experienced the adventure which has become a part of our American heritage.

"Them's alright if ya ain't gone nowhere."

The traditional pledge and purpose of the club was learned and recited by each prospective member before a council of Senior Tri-Hi-Y members. These girls were then formally initiated in a candlelight service with upperclass members.

Again panel discussions and guest speakers predominated the program list. A particularly outstanding presentation was offered by member, Lili Wenzel, who related customs and life in her native country from which she had recently returned.

A "little sister" project was carried out by the club in which each girl was assigned two freshmen girls to guide and help through her first weeks at A.H.S.

Following the same lines of activity and purpose as the Senior Chapter, the Junior Tri-Hi-Y discussed the problems and interests of high school youth and considered thoughts and advice of various speakers.

The club aided the senior girls in planning the annual Christmas Assembly. They also participated in presenting the style show, the Tri-Hi-Y Formal, and the Mother-Daughter Banquet.

Christmas gifts for hospital patients was one project accomplished by the Junior Chapter.

To create, maintain, and extend throughout the home, school, and community, high standards of Christian character is the purpose claimed by the Tri-Hi-Y.

The Senior Chapter initiated the year's events with a potluck supper at the Hess and Clark Cabin. They joined the Sophomore and Junior Chapters to present the annual style show and Mother-Daughter Banquet.

The three chapters also combined their efforts to present the Tri-Hi-Y Formal, an event of January 28th.

"Learning to do, doing to learn, earning to live, living to serve" is the motto which the Future Farmers of America strive to attain.

These youths attend contests in parliamentary procedure and public speaking. They also gain practical experience and knowledge through participation in agricultural judging contests and conservation projects, for which they have gained various honors throughout the year.

In spite of all this competitive activity the club does have time for social relaxation and fun at the annual F.H.A. and F.F.A. banquet and other such parties. As a service project the organization sponsors the annual hunter safety program.

"In the Girls' Athletic Club a girl develops interest in sports, learns cooperation with fellow students, and increases her sense of sportsmanship," relates the president of the club.

The Army-Navy All-Star basketball game is the anticipated event of the club's yearly program. The girls also exercise ability in kickball, volleyball, bowling and other recreational sports. To meet club requirements a girl must participate in two sports a semester. Two hundred points must be earned for sweater numerals and five hundred points for a letter.

The newly organized Future Voters Club strives to inform interested students about government policies and political practices that they may be better voters of tomorrow.

The club initiated its career with a number of enthusiastic projects. One such event was the "I Voted . . . Did You?" campaign during which members pinned lapel tags on voters at the polls. The group also planned to sit in on local court hearings and to journey to a session of the Ohio State Legislature in Columbus. Regular meetings introduced various speakers of political realm who spoke on chosen topics.

Twenty-five points earned by selling tickets, serving on committees, and taking part in plays, are necessary for one to become a member of Ashland High's Thespian Troop 29. It was approved this year that orchestra members earning points through participation in the annual musical should also be accepted.

The club's main objective is to promote interest in school dramatics. This is accomplished through various projects among which is the presentation of awards at the year-end Annual Thespian banquet. These Ichabods are awarded for certain outstanding accomplishments in dramatics throughout the year.

Making a comeback on the Ashland High School club calendar is the Forensic Club. It is the purpose of this recently organized group to study and to practice the skills of debate. Divided into affirmative and negative groups the club participates in competition with other schools.

They also attended the Ohio State Speech League Contest. The advisor hopes the local club will become strong upon the foundation built this year and become a member of the National Forensic League.

Seniors participating in Distributive Education are chosen on a basis of aptitude, mathematical ability, attendance, and recommendations received from teachers and former employers.

For this year's special activities, the club chose a "Student of the Year," they journeyed to the Federal Reserve Bank in Cleveland, and they sponsored a Christmas project to help a needy family. A prominent event of the year was the annual Bosses' Banquet given for all employers.
